3105 Willow Pass Road, Bay Point
WHO: Supervisor Federal Glover, District V
INFO: 925-427-8138

Town Hall to address Bay Point annexation to Pittsburg

The future and character of Bay Point will be strongly impacted by two topics that will be discussed at the March 18 Bay Point Town Hall being held by Supervisor Federal Glover.

John Greitzer of the county's Community Development staff will present the plan for the use of the Port Chicago Mitigation Funds. The fund was established when the U.S. Navy closed Port Chicago Highway and was meant to facilitate east-west travel between Bay Point and areas west of the community. With accumulated interest, the mitigation fund's original sum of \$5 million has grown to \$8.6 million.

"With the assistance of County staff, Supervisor Glover and I have identified some very viable and useful road and trail improvement projects that we are excited about, and looking forward to seeing and enjoying in the near future," said Supervisor Susan Bonilla, Contra Costa County District IV Supervisor.

Another topic of high interest is the possibility that Bay Point might be annexed by the City of Pittsburg, which would allow the unincorporated community to retain a separate identity as Bay Point. County and City of Pittsburg staff will address the concerns of the proposal initiated by a group of Bay Point residents calling itself the Residents for A Better Bay Point.

Glover emphasized he has not taken a position on the annexation. "I will support whichever direction the residents of Bay Point want to go," said Glover.

The Bay Point Town Hall, which the supervisor holds twice a year, will be held at the Ambrose Recreation and Park District center's dining room at 7 p.m. on March 18.
